

Terms and conditions for guided hikes

*Each participant will be required to sign a standard indemnity form before the hike.

*Prices exclude the cable car tickets down, which can be bought on the summit, after the hike, with cash or card.

*Should the cableway be closed due to strong winds, your guide will walk you down again, which adds about 2 hours and we charge an additional R300pp which can be paid to your guide in cash on the day.

*Hikes may be cancelled due to adverse weather conditions. This would require a forecast of 60% chance of rain or more and / or wind speeds of greater than 60kph.

*For those who booked the circular route on the summit, an alternative route will be offered if the cableway is not operating.

***Cancellation Policy:**

Bookings that are cancelled less than 48 hours in advance are liable to full payment. Bookings that are cancelled more than 48 hours in advance are liable to 10% of the amount due.
